INNOVATIVE HEALTHCARE SOLUTIONS SHOWS CONSISTENT STRONG PERFORMANCE IN THE KLAS 2008 TOP 20 YEAR-END REPORT

Punta Gorda, FL, December 15, 2008 – Innovative Healthcare Solutions, Inc. (IHS), a premier provider of healthcare information technology consulting services, announced today it has scored at or near the top of several categories in the KLAS 2008 Top 20 Report. This marks the third consecutive year IHS has scored very well as compared to its industry peers..

KLAS Enterprises' 2008 Top 20 Year-End Report ranks Professional Services vendors in Healthcare IT using direct feedback from healthcare providers who have used these vendors. IHS received scores at or above 90 in the categories Clinical Implementation Supportive, Other Implementation Services, and Staff Augmentation.

"We are proud of our consistent KLAS results and we think it reflects the quality of our consultants, our methodologies and our company," said Robin Bayne, an IHS principal. "We value the importance of objective customer feedback and we are pleased that our customers are so satisfied with our services."

"In today's economic climate and with increasing demands to adopt IT solutions, we know our hospital customers are under enormous pressure," said Pat Stewart, another IHS principal. "We want to provide value and continually strive to offer the kind of services that will make a difference for our customers," Stewart added.
